- IV.** These Guidelines do not apply to any flags other than the Permitted Flags listed in Section 1 above including, but not limited to:
- a. flags for schools, sports teams, businesses or foreign countries; or
  - b. flags with marketing, seasonal, historical, commemorative, nautical, political or religious themes; or
  - c. historical versions of flags permitted in section 1 above.
- V.** Permitted Flags may be displayed subject to these guidelines. Advance written approval of the Board/Modifications Committee is required for any free-standing flagpole and any additional illumination associated with the display of Permitted Flags.
- VI.** Permitted Flags must be displayed in a respectful manner in accordance with the current relevant federal, state or military code.
- VII.** Permitted Flags must be displayed from a pole attached to a structure or to a free-standing pole. Permitted Flags may not be draped over or directly attached to structures. For example, a Permitted Flag may not be laid across a fence or stapled to a garage door.
- VIII.** Permitted Flags shall be no larger than three foot (3') by five foot (5') in size.
- IX.** Only one Permitted Flag may be displayed on a flagpole attached to a structure. Up to two Permitted Flags may be displayed on an approved free-standing flagpole that is at least fourteen feet (14') tall.
- X.** Flagpoles must be constructed of permanent, long-lasting materials with an appropriate finish that is harmonious with the dwelling.
- XI.** A flagpole attached to a structure may be up to six feet (6') long and must be securely attached with a bracket with an angle of 30 to 45 degrees down from vertical. The flagpole must be attached in such a manner as to not damage the structure. One attached flagpole is allowed on any portion of a structure facing a street and one attached flagpole is allowed on the rear or backyard portion of a structure. Brackets which accommodate multiple flagpoles are not allowed.
- XII.** Free-standing flagpoles may be up to twenty feet (20') tall, including any ornamental caps. Free-standing flagpoles must be permanently installed in the ground according to manufacturer's instructions.   - e. closer to a dwelling on an adjacent lot than the height of the flagpole (for example, a 20' flagpole cannot be installed closer than 20' from an adjacent house).
- XV.** No owner shall display a flag or flagpole on property that is owned or maintained by the Association or owned in common by the members of the Association.
